5. Future meetings

We tried to hold lectures in January and February 2021. However, these had to be postponed due to covid-related issues. Two lectures will be held remotely in March and April 2021. We hope that the next academic programme will resume in September 2021, face-to-face, at the Law School, University of Worcester

6. AOB

It had been decided by the committee to update the website and have a Twitter account. The details of the update will be circulated to the members and guests in due course. Hopefully, this would attract new members to the society.
